Subject: Debate Meeting Summary

Here is the summary for last week's debate meeting:

At this meeting we reviewed the basics of speech structure after an extended break. If you are interested in writing a bill for us to use during meetings please email your bill to [jyu8@students.d125.org](mailto:jyu8@students.d125.org) by February 5th.

A template for writing a bill can be found here. You will also find examples of bills that have been debated on the high school level.

I have also attached the bill we be discussing at next week;s meeting. The bill also contains questions to guide the students' research.

Best,
